<b>Part 3</b>			
25.00	KTZ® EBONY	Iron Oxides (CI 77499) (And) Mica	Kobo Products
100.00			

## Description:

This smoky, weightless eyeshadow feels light and applies beautifully. It stays put all day featuring an even, soft texture with rich, elegant color. The NOE treated pigment and filler contribute to a smooth, sweep-on application. NOE treatment is based on Hydrogenated Olive Oil Stearyl Esters which provides silkiness and blendability with improved creaminess and pressability. KTZ® EBONY gives the formula a unique pearlescent effect with smoky finish. MSS-500W provides slip, evenness and a non-drying feel. FLORITE PS-10 imparts long wear due to the sebum-absorbing properties and also provides good payoff. ZINC MYRISTATE (MB) binds all the ingredients together and helps hold a stable cake structure.

## Manufacturing Procedure:

1. Combine Part 1. Micropulverize until color is uniform.
2. Combine Part 2. Slowly add to Part 1 and blend until homogeneous.
3. Add Part 3 to batch. Blend well at low speed until color is uniform.
4. Press at 450psi.

## FORMULATIONS

Product formulations are included as illustrative examples only. Kobo Products Inc. makes no representation or warranty concerning the efficacy or safety of any product manufactured using such formulations. All statements concerning the possible use of Kobo Products Inc. are for research purposes only. Responsibility for the performance or adequate testing of any product prior to sale or use of any such product lies with the manufacturer thereof.

## USE OF PRODUCTS

Products sold by Kobo are designed, manufactured and sold for industrial use only. Prior to use of any such product for any application other than an industrial use, the user has the sole responsibility and obligation to determine the suitability of any such product for any such application.

## PATENT STATUS

Nothing contained herein shall be construed to imply the nonexistence of any relevant patents or to constitute a permission, inducement or recommendation to practice any invention covered by any patent, without authority from the owner of the patent.

## LIMITATION OF LIABILITY

Kobo Products Inc. shall in no event, whether the claim is based on warranty, contract, tort, strict liability, negligence or otherwise, be liable for incidental or consequential damages, or for any other damages in excess of the amount of the purchase price.
